The BMW 5 Series Saloon [F10] and Touring [F11] Product Actions – March 2011

This Product News contains information on forthcoming product actions for F10 and F11 5 Series Saloon and Touring.

Standard equipment changes

The following changes to the standard equipment of F10 and F11 models will take place from week 9 2011 production:

The centre console cup holder under the armrest will be deleted for manual models only. The cup holder behind the iDrive control will remain. Cars with an automatic transmission remain unaffected by this change.

The sliding plastic cover for the USB port will be deleted for all models.

The RHD / LHD switch to change the headlights for European driving will be deleted for all models. Please refer to the vehicle handbook for details of driving on the Continent.

Optional equipment changes

Please note the following optional equipment changes from production week 9 2011.

Option Code	Description	New Retail (£)	Change (£)
4M5	Instrument panel, leather	£945	New option
5AG	Lane change warning system now only available in combination with 430 Exterior mirrors – folding, automatically dimming	No change	No change

Online product libraries

The online product libraries have been updated to include all of the information outlined above and will be published by 16 December 2010. The product libraries can be found under the Product Knowledge section of the Dealer Infonet.

Sales literature

PDF copies of the March Price Lists will be available to download from the Dealer InfoNet in March. Printed copies will be available in April to take into account any changes from after the Government's 2011 Budget announcement, with one pack being auto-issued to all Dealers.

25 copies (one pack) of brochures will also be auto-issued to all Dealers by mid-March.

Further copies of price lists and brochures will be available to order under part number. The part number page on the Dealer InfoNet will be updated accordingly.

System updates

IVS and Sales Assistant will be updated by 4 January 2011 for ordering. Updates of Autoline and FAMOS will be released in week 1.

Should you have any further questions, please email product.marketing@bmw.co.uk.
